Youth Volunteers Needed!

We need your help this summer! Please go to our website [here](http://centralbaptistnewnan.org) and sign up if you are interested in helping us with Vacation Bible School this year. The theme this year is Rolling River Rampage! If you volunteer that week we would like to thank you by taking you down the river (Columbus) on Friday, July 13th! When you sign up tell us if you would like to join us for the rafting trip on Friday. The discounted cost for the day is \$25/person!

A \$150 deposit per couple, paid by July 1, is required to reserve your space for the weekend. The total cost is \$300 per couple, per room, at the Mountain Creek Inn at Callaway Resorts and Gardens. This cost includes daily admission to Callaway Gardens, a daily breakfast throughout your stay (Saturday and Sunday mornings), and retreat sessions. Other meals and any extra events at Callaway (golf or seasonal events) are the responsibility of the couple.

PASTOR'S PEN

More than a year ago, our deacons appointed a team to explore updating our logo and improving our online presence. As a result of that group's hard work, in the coming days our website and social media platforms will get a new look, including an updated logo, and in the coming weeks and months we'll start to update some of our printed materials as well.

I've been fortunate to work with this deacon-appointed group for the last six months or so. A tremendous amount of effort has gone into selecting a logo that both honors our heritage and gives us an improved ability to present ourselves across a wide range of digital platforms, and I'm both proud of and excited about the way their work will represent our church.

The "J.T. Haynes drawing" will continue to be used in some of its most familiar places—like on our worship guide, for example. We'll prioritize implementing the new look in places where we haven't used a consistent logo before—like on our website, for example.

Periodically, organizations of all kinds take a comprehensive look at how they're communicating who they are to the broader community and to new generations. For the first time in well over forty years, our deacons, the Web Development and Communications Team, and our staff have worked together in a careful process to do that.

As we continue to honor our heritage, I'm excited about how this new work will serve us now and in the years to come. As you grow more familiar with the new look and begin to see the ways we're able to use it, I hope you will be, too.

See you Sunday,

Matt

A big thanks to Susan Boyd for leading this group all year and Marie Umbach and Josephine Goodstein for being our secretaries. Thank you to all the ladies who helped us decorate each month.
