CAPITAL CAMPAIGN UPDATE

Dear Central Family,

We are Matt and Carrie Markham and we were invited last Sunday to share why we're excited to support our church's capital campaign and building project.

We are both from Newnan and have been members at Central for almost ten years. We have two boys, Davis and Charlie, who were both dedicated in our sanctuary. Our first time visiting here, we felt welcomed by not only our peer group, but from all members of this congregation.

Over the years, we have been supported by this church during happy times and during times of crisis. We have found, time and time again, that when you need it, Central will be here for you.

Although the heart of Central is its congregation, a big part of who we are is this beautiful house of worship. During our time here, we have been involved in the children's ministry, Wednesday Night Suppers, both of our children have been involved in scouting, and we teach children's Sunday School. Our oldest son will join the youth group next year. All of these activities will be enhanced with our beautiful new facility.

We are excited about these new spaces for our children, and we also believe that the other ministries of our church will be able to grow and further serve our community through this new building. And, perhaps the most significant thing of all is that this facility will be here not only for our children, but hopefully one day for our grandchildren and for generations to come.

We are blessed to be a small part of this exciting time in our church, and although we will never be able to give back as much as this church has already given to us, we're excited to support this campaign that will add to Central's legacy for years to come.

Happy Thanksgiving,

Matt and Carrie Markham

Please help us be better prepared for our 2019 groundbreaking by returning your pledge card to the church office. For more information about the Capital Campaign you may contact the office at 770-683-0610.
