Dominican Republic Missions Update

Several years ago now, our church completed a multi-year project to build a new elementary school in La Romana, Dominican Republic. The school serves mostly Haitian immigrant children in one of the poorest communities in the western hemisphere who did not have a school to attend before this school was opened.

The lion's share of the funding for the Rodney Henrikson Elementary School came from Central Baptist Church through the Myrtle Arnall Mann Missions Fund, and several volunteer teams went down over the course of several years to help with construction.

Since the completion of the school, we've continued to support the efforts of Moises Sifren and our missions partners there to ensure that the school will be a long-term success. Since we first went down to dedicate the school at its grand opening, a cafeteria has been added; half-day students now attend a full day of classes; and government funding has been secured to pay all the teachers at the school—a HUGE hurdle in ensuring that the school's long-term presence in the community is sustainable.

Today, 520 children attend the Rodney Henrikson Elementary School where they receive a free, first-class education from government-funded teachers along with a hot meal in the middle of the day. It is not an exaggeration to say that the school would not exist and that these students would not have access to any formal education without you. This is the work of the kingdom of God, and it's got your fingerprints all over it.

Your work to improve the lives of others in the name of Christ makes a difference, both right here on our own doorstep and across the globe. As we enter the Thanksgiving season, pray for those we're fortunate enough to serve, and say a prayer of thanksgiving for the opportunities God gives us to serve God's kingdom together.

See you Sunday,

Matt

Youth Ministry

Central Youth had a very "Illuminating" retreat at Camp Glisson this past weekend! We laughed and learned together, shared stories and enjoyed nature in the beautiful Georgia mountains during this CBFGA retreat.

These weekends are not possible without the help of wonderful adults who give their time and energy to our teens. A huge "THANK YOU!" goes out to Clay Hudson, Jessica Kuhr, and John Wagstaff!
